

Visual Schedule for Interim IEP

- 1- Review Present IEP
- 2- If it does not meet your child's needs, request an Interim IEP in writing to your child's special education specialist and cc the principal
- 3- Write a parent section that includes:
 - Your child's strengths
 - Your child's challenges
 - The key areas you want addressed
- 4- Submit letter and follow up to insure a date is set
- 5- Create draft goals you would like to see
 - My child's reading comprehension will improve from x to x + 1.5 grade levels
 - Improve reading fluency from y to z
 - Insure that my child has the homework and other assignments written correctly In their planner, or available online
 - Insure homework is always put in the right place (parents to sign that it is) and that it is turned in
 - Have my child get a copy of class notes, before the class is given
- 6- Programs and intensity of help that is consistent with the goals
- 7- Agree to IEP once you are satisfied
- 8- Check to make sure IEP actions and accommodations are being followed
- 9- Contact teachers and ESE coordinator of any challenges and involve the principal when necessary
- 10- Compliment the teacher and ESE coordinator when things are working well
